G        D           G    D          G
Spend your lazy endless crazy days inside my head
       D                    G     D
You re so selfish you re not the only
                          A
One who thinks he s dead
G        D         G          D                             G
I m paid to smile now I m on trial for what you think I said
     A       Am             D
But I never said that everything would be ok
                     Am                  D  Am   C  D
And I never said that we would live to see another day
         G C     D     C             G
Chorus:  Motivate me, I wanna get myself out of this bed
   C      D        C              G
Captivate me, I want good thoughts inside of my head
          C        A         C                                  G
If I fall down would you come around and pick me right up off the ground
            C        A         C                                  G
If I fall down would you come around and pick me right up off the ground
C D C

G        C          D              C              G
I m realistic and narcisistic you say I m selfish and absurd
       C            D          C
You try to change me you try to save me
          G
You say I m gonna learn
C             D                            G
I m so blind I m out of time you re so unkind sometimes
      C           D      C
I never lied, I never lied, I never lied
A       Am             D
But I never said that everything would be ok
                     Am                  D  Am   C  D
And I never said that we would live to see another day
         G C     D     C             G
Chorus:  Motivate me, I wanna get myself out of this bed
   C      D        C              G
Captivate me, I want good thoughts inside of my head
            C        A         C                                  G
If I fall down would you come around and pick me right up off the ground
            C        A         C                                  G
If I fall down would you come around and pick me right up off the ground
