The chords in the verses all are played barré, those of the chorus open. The G is played like an A on the 10th (10 10 12 12 10 10). The G/F# is a G with an f# as bass note (- 9 12 12 10 10 If you can, lift your barré-finger on every E at the end of the lines of the verses (i think if you listen to the song, you ll know what i mean;)
