INTRO:(BASS x2)pick chords **A D X2**

VERSE:

(keep picking chords)

Here i am on.... the phone again and.....

awkward silences.... on the other end

(start stumming)**A D A D**

i use to know the sound... of a smile in your voice

A D A EM

But right now...all i feel... is the pain of the fighting starting up again

Absus **EM D**

all the things we talk about u know they stay on my mind

On my mind

Absus **Em D**

all the things we laugh about they ll bring us through it everytime

after time after time

(Chorus)

A Em

Dont say a word... i know u feel the same

D

just give me a sign.... say anything say anything

A Em

please dont walk away i know u wanna stay

D

If you ll just give me a sign say anything say anything

(fill)

(pick chords again)

Some say that... time changes

best friends can.... become strangers....

but i dont want that no not for you

if you just stay with me we can make it through

(strum)**A D**

So here we are again... same old argument

A D

and now im wonderin if things we ll ever change and

A D

When will u laugh again... laugh like u did back when

A Em

We d make noise till three a.m and the neighbors would complain

Absus **Em D**

All the things we talk about u know they stay on my mind

Absus **Em D**

All the things we laugh about they ll bring us through it everytime
after time after time
