**Say Anything**
**Good Charlotte**

this is a great band and a great song!
this is so simple here it goes...tuning standard EADGBE
chords used
**C# F# G#M** Absus

INTRO:(BASS x2)pick chords **C# F#** X2
VERSE:
(keep picking chords)
Here i am on.... the phone again and.....
awkrard silences.... on the other end
(start stumming)**C#    F#        C#                      F#**
i use to know the sound... of a smile in your voice
**C#            F#                          C#                        G#M**
But right now...all i feel... is the pain of the fighting starting up again
Absus                              **G#M**                      **F#**
all the things we talk about u know they stay on my mind
On my mind
Absus                              **G#m**                              **F#**
all the things we laugh about they ll bring us through it everytime
after time after time

(Chorus)
**C#                      G#m**
Dont say a word... i know u feel the same
**F#**
just give me a sign.... say anything say anything
**C#                      G#m**
please dont walk away i know u wanna stay
**F#**
If you ll just give me a sign say anything say anything
(fill)
(pick chords again)
Some say that... time changes
best friends can.... become strangers....
but i dont want that no not for you
if you just stay with me we can make it through
(strum)**C#              F#**
So here we are again... same old argument
**C#                      F#**
and now im wonderin  if things we ll ever change and
**C#                          F#**
When will u laugh again... laugh like u did back when
**C#                                  G#m**
We d make noise till three a.m and the neighbors would complain
Absus                              **G#m**                          **F#**
All the things we talk about u know they stay on my mind
Absus                              **G#m**                                  **F#**
