Good Charlotte : Chronicles of Life and Death

Am F C
Is anybody listening?
G Am
Can they hear me when I call?
Am F C
I m shooting signals in the air,
G Am
Cause I need somebody s help
F C
I can t make it on my own,
G Am
So I m giving up myself
Am F C
Is anybody listening, listening?

[Same chord pattern] **Am-F-C-G**
I ve been stranded here and I m miles away
Making signals hoping they save me
I lock myself inside these walls
Cause out there I m always wrong
I don t think I m gonna make it
Dm Am G
So while I m sitting here on the eve of my defeat
Dm Am G
I write this letter and hope it saves me

Chorus: **Am-F-C-G**
Is anybody listening?
Can they hear me when I call?
I m shooting signals in the air
Cause I need somebody s help
I can t make it on my own
So I m giving up myself
Is anybody listening, listening?

[Same chord pattern] **Am-F-C-G**
I m stuck in my own head and I m oceans away
Would anybody notice if I chose to stay?
I ll send an S.O.S. tonight
And wonder if I will survive
How in the hell did I get so far away this time?
So now I m sitting here
The time of my departure s near
I say a prayer please, someone save me

Bridge:

Am
I m lost here
C
I can t make it on my own
G
I don t wanna die alone
Dm
I m so scared
Am
Drowning now
G
Reaching out
F **Dm**
Holding on to everything I love
Am
Crying out
G
Dying now
F ...
Need some help

[Same chord pattern] **Am-F-C-G**
Is anybody listening?
Can they hear me when I call?
Shooting signals in the air
I need somebody s help
I can t make it on my own
I m giving up myself
Is anybody listening?

Comments:

If you still haven t noticed, there is only one set of chords to be played throughout the song. That makes it insanely easy. The strumming; however, is pretty tricky but manageable. Just listen to the song closely. Go nuts!
