

The Innocent  
Good Charlotte

D A B A G  
The start of Armageddon, it was just another day  
D A G  
We all saw the news, nothing to say  
D A B A G  
So many friends are missing and family members gone  
D A G  
So we all pray that god help them be strong  
D A B A G  
And now we stand together, remembering that day  
D A G  
The lives we live will never be the same

D A B F#  
And we don t know why the innocent die  
G A B  
Will this world ever find a way to change?  
D A B F#  
And we don t know why but we know it s not right  
G A B  
We don t know why so many had to die  
G A D  
We don t know why so many had to die

D A B A G  
Hate has turned to others for their religion or their skin  
D A G  
But hate can t solve the problem it began  
D A B A G  
Everyone is angry, people are afraid  
D A G  
No one knows what decisions will be made

D A B F#  
And we don t know why the innocent die  
G A B  
Will this world ever find a way to change?  
D A B F#  
And we don t know why but we know it s not right  
G A B  
We don t know why so many had to die  
G A D  
We don t know why so many had to die
