

**Youre Gone**  
**Good Charlotte**

Capo 4th fret

**G**  
you were young, you were bright, you were beautiful,  
**F**  
you were everything anyone could want from a child  
**C**  
you were not supposed to leave this world that way  
**C**  
you were not supposed to leave this world that day

**G**  
you were scribbling down the lyrics of your favorite songs,  
**F**  
on your notebook, in school, when your days were long  
**C**  
and it ment so much for me to know  
**C**  
that you ment so much you ll never know

Chorus:

**G** **D**  
you re gone and we all miss you,  
**C** **F /G**  
listen to these songs, you re alive in every one.  
**G** **D**  
are you smiling down? are you still singing?  
**C** **F /G**  
were you with us all along? do you like what we ve become?

**(G, F, C)**  
did I meet you in the crowd at one of our shows  
did I see you in the faces that all come and go  
did I ever take the time to just say thanks  
was I to caught up in my life to ask you your name

the truth is that this life is that we re all in it together  
that s what you said to me in all your pictures and your letters  
somehow I believe that you would make me better  
in my heart I know you re gonna live forever

**(G, D, C, F/G)**  
you re gone and we all miss you,  
listen to these songs, you re alive in every one.  
are you smiling down? are you still singing?

were you with us all along? do you like what we ve become?

are you smiling down? are you still singing?

every day that passes by, we celebrate your life

can you hear us now? Do you hear us singing?

Every song thatâ€™s in our lives I know we ll never be apart
