Goombay Dance Band

Goombay Dance Band - Montezuma (1981)

Am **Em**
Mercury ice, high in the desert,
Am **Em**
Dust in the air, the compound is dry.
Dm **Am**
Pin s so hot, the touch of foam.
Dm **Am**
Feel a flash, in the vein just on.

Am **Em**
How many days can it last until it s over?
Am **Em**
How many tricks can you play before you track
Am
In a no man s land?

Chorus:

C **G**
Is it wrong or is it right?
Dm **Am**
Everyday the endless fight.
C **G** **Am**
Sun relieve for us tonight, Montezuma.
C **G**
Make it clear so we can tell
Dm **Am**
When you cast your magic spell:
C **G** **Am**
Your revenge is our as well, Montezuma.

Look to the sky, up for the stars that show.
Feel in the doves a magic surprise.
Bright the wind dyes the raise.
Pray for peace, in a world of change.

How many days can it last until it s over?
How many miles of hope can you cry for a new mirage?

Chorus (bis)
