Disappearing Tail Lights - by Gord Bramford  
Transcribed by Shawn\_V - as requested by Sandy\_W :-)

There is a lot more to this song then what is here, but I wrote just the basics as there have been so many requests for it online recently.

\*Note the original is played with CAPO on the 1st fret to make all the chords sharp (C# D#m F# G# A#m, etc)

Chords: EADGBE

- C x32010
- C7 x32310
- Dm x00231
- F x33211

C	Dm	F	C
Disappearing tail lights		Going round the bend	

Dm	F	G
I dont know where shes headed to		But she wont be back again

F	G	Am	Am7	F
Shes the one who loved me		Until I broke her heart		

Dm	F	G	C
Disappearing tail lights		Leaving me here in the dark	

Dm	F	C
I watched them as they faded		Getting smaller every mile

I guess its really over now Dm F G  
And it has been for a while

I never had imagined F G Am Am7 F  
That shed ever go this far

Disappearing tail lights Dm F G C C7  
leaving me here in the dark

=====

CHORUS

=====

F  
Disappearing tail lights, It hurts to see her leaving

C C7  
Sure didnt plan on being on my own

F  
Now shes almost out of sight, And suddenly it hits me

C G  
Shes about to be a memory when shes gone, Now shes long gone

=====

Dm F C  
Disappearing tail lights Too far away to come back now

Dm F G  
I suppose that ill forget her But Im really not sure how

F G Am Am7 F  
I thought I saw her turning But it was just a falling star

Dm F G C C7  
Disappearing tail lights Leaving me here in the dark

=====

CHORUS

=====

Dm F C  
Disappearing tail lights Too far away to come back now

Dm F G C  
I suppose that ill forget her But Im really not sure how
