

When Your Lips Are So Close

Gord Bamford

Capo on 2

* - once

Intro :

Bm G D A (X2)

Bm **G**
Girl, I knew it must be you, cause it got hotter in this room
D **A**
You walked in, laid that spin
Bm **G**
You look so good in the neon light, I drink you in with thirsty eyes
D **A**
Long sip of your cool smile

Bm **G**
Girl, I wanna reach right out, wrap you in my arms right now
D **A**
Never let go, never let go
Bm **G**
Cause I just gotta taste you, baby, you know it drives me crazy
D **A**
To be so far away when your lips are so close

Bm G **D A**
When your lips are so close

Bm **G**
You might be right next to me, but girl, it feels like miles between
D **A**
My hands and your skin
Bm **G**
You know it what I m thinking of, small talk just won t be enough
D **A**
Can t wait for your touch

Bm **G**
Girl, I wanna reach right out, wrap you in my arms right now
D **A**
Never let go, never let go
Bm **G**
Cause I just gotta taste you, baby, you know it drives me crazy
D **A**
To be so far away when your lips are so close
