Changes chords

Gordon Lightfoot (Phil Ochs 1966)

Capo II

**Am D Em Am**

**Am D Em D**

**Am D Em Am**

Sit by my side come as close as the air,

**D Em**

sharin a memory of grey

**Em C**

And wander in my words,

**D Em Am D**

and dream about the pictures that I play,

**G**

of changes

**Am D Em Am**

Green leaves of summer turn red in the fall,

**D Em**

to brown and to yellow they fade

**Em C**

And then they have to die,

**D Em Am D**

trapped within the circle time parade,

**G**

of changes

**Am D Em Am**

**Am D Em D**

**Am D Em Am**

Moments of magic will glow in the night,

**D Em**

all fears of the forest are gone

**Em C**

For when the morning breaks,

**D**                  **Em**                  **Am**  **D**  
they re swept away by golden drops of dawn,  
      **G**  
of changes

**Am**                  **D**                  **Em**          **Am**  
Passions will part to a warm melody,  
                  **D**                  **Bm**  
as fires will sometimes turn cold

**Em**                  **C**  
Like petals in the wind,  
      **D**                  **Em**                  **Am**  **D**  
we re puppets to the silver strings of souls,  
      **G**  
of changes

**Am D Em Am**  
**Am D Em D**

**Am**                  **D**                  **Em**                  **Am**  
Your tears will be trembling now we re somewhere else,  
                  **D**                  **Bm**  
one last cup of wine we will pour  
      **Em**                  **C**  
I ll kiss you one more time,  
      **D**                  **Em**                  **Am**  **D**  
and leave you on the rolling river shore,  
      **G**  
of changes

**Am D Em Am**  
**Am D Em D**
