Part 1 :

C
There s a warm breeze tonight,
G **C**
And the moon turns the tide
C **C**
When the stars take their ride,
Gsus4/B **Am/Asus2**
She ll be leaving
G
Where she goes,
C
I don t know;
C **F**
She won t tell me what it is,
C
That makes her act like this.
C **Gsus4/B** **Am** **G**
But I got a funny feeling that it s me
Am/Asus2
It s worth believin
G
Should I ask?

C
 Do you like
F
 To go walking on the sand?
C
 And listen to the sea?
G
 Or could it be?
C
 Someone kind
F
 Could it be that I m the fool?
C
 Is something wrong with you?
C Gsus4/B Am G
 But I got a funny feeling that it s me
Am/Asus2
 It s worth believin

The rest of the lyrics are : (Part 2)
 There s a breeze from the shore
 And the waves over land
 When I ve called in the cat
 She ll go walking
 And she cries
 To herself
 In the night when I m asleep
 She lies awake and weeps.
 Could it be
 Something new?
 Someone older has returned?
 Or is it just a game?
 But I got a funny feeling that it s me
 It s worth believin
