Amaj7 Bm7 E Amaj7 Bm7

Softly she comes, whispers the breeze with her passing

E Amaj7 A7 D

In secret love, she is laughing

Dm6 Amaj7 D6 (A D6)

Softly she comes in the night

E D A

Down the darkened hall I hear her footsteps on the stair

Е

Then she is in my arms once more

Softly she sighs, Sweetly she lies never sleeping Her fragrance all in my keeping Softly she comes in the night

Then softly she goes, Her shining lips in the shadows, Whispering good-bye at my window Softly she goes in the dawn
