

Summertime Dream
Gordon Lightfoot

Summertime Dream - 1976 Gordon Lightfoot

D **G**
Where the road run down by the butternut grove
D **G**
To old Bill Skinners stream
D **G**
Do tell at the noon day bell
A **D**
Itâ€™s time for a summertime dream

D **G**
In a lunch pail town in a one horse way
D **G**
You can live like a king and queen
D **G**
Lets steal away in the noon day sun
A **D**
Itâ€™s time for a summertime dream

Bm **D**
Birds in all creation will be twitterin in the trees

Bm
And down below a pond I know
G **A**
You can swim in it if you please

D **A**
And if you come round when the mill shuts down
D **G**
You can see what chivalry means
D **A**
Letâ€™s steal away in the noon day sun
A **D**
Itâ€™s time for a summertime dream

play: **D A D G D G A D**
