I need your love to look rising from the ocean,
D E
I want to be to blame for your smile,
D E A D
necesito que tu amor renazca desde el océano
D E
quiero ser culpable de tu sonrisa.

Lolita, me siento mal por todo lo que te hice
y tuve miedo de perder tu amor forever.

Estribillo:

I need your love to look rising from the ocean,
I want to be to blame for your smile,
I need your love to look rising from the ocean
I want to be to blame for your smile.

Lolita, presiento que tu mente ya está,
mi corazón se perdió, mas vale dejarlo así.

Estribillo:

I need your love to look rising from the ocean,
I want to be to blame for your smile,
I need your love to look rising from the ocean
I want to be to blame for your smile.
