

**Busted And Blue**  
**Gorillaz**

[Intro] **Fmaj7 Em Dm Em E**  
**Fmaj7 Em Dm Em E**

**Fmaj7 Em**  
Where does it come from  
**Dm Em E**  
When everything waltzed outside, busted and blue  
**Fmaj7 Em**  
How in the universe  
**Dm Em E**  
Through the lithium, busted and blue  
  
( **Fmaj7 Em Dm Em E** )

**Fmaj7 Em**  
I was asked by a computer, a shadow on the wall  
**Dm Em E**  
An image made by Virgil, to rule over us all  
**Fmaj7 Em**  
So amplify the sirens, and to find real amends  
**Dm Em E**  
And through the echo-chambers, to other worlds away

**Fmaj7 Em**  
All my life, all my life  
**Dm Em E**  
Be my light, on me I am a satellite and I can t get back without you  
**Fmaj7 Em**  
Be my love, be my love  
**Dm Em E**  
Be my love, be my love  
  
( **Fmaj7 Em Dm Em E** )

**Fmaj7 Em**  
Where do they come from?  
**Dm Em E**  
The wires that connect to us, weightless and fall on your body  
**Fmaj7 Em**  
Till we re invisible  
**Dm Em E**  
I m with you through altitude, busted and blue

**Fmaj7 Em**  
All my life, all my life  
**Dm Em E**  
Be my light, on me I am a satellite and I can t get back without you

**Fmaj7**            **Em**  
Be my love, be my love  
**Dm**                **Em**        **E**  
Be my love, be my love  
          **Fmaj7**                **Em** **Dm** **Em** **E**  
Busted        and blue
