

Cloud Of Unknowing  
Gorillaz

Hi, I m not sure of this but it seems to be correct with this chords

**Em** **Bm**  
On the cloud of unknowing

**C** **Em**  
My world seems open

**Bm** **C**  
Every satellite up here is watching

**Am** **G**  
But I was here from the very start

**Em** **G**  
Trying to find a way to your heart

All the days are forgetting  
They ve gone out with the tide  
Lost at sea somewhere, waiting  
Like setting suns at the rodeo  
Trying to find someone you ll never know

Oh, sinking love  
On the cloud of unknowing  
Every satellite up here is watching  
Waiting to see what the morning brings  
May bring sunshine on its wings
