

Cloud Of Unknowing
Gorillaz

Hi, I m not sure of this but it seems to be correct with this chords

Em **Em**
On the cloud of unknowing

C **Em**
My world seems open

Bm **C**
Every satellite up here is watching

Am **G**
But I was here from the very start

Em **G**
Trying to find a way to your heart

All the days are forgetting
They ve gone out with the tide
Lost at sea somewhere, waiting
Like setting suns at the rodeo
Trying to find someone you ll never know

Oh, sinking love
On the cloud of unknowing
Every satellite up here is watching
Waiting to see what the morning brings
May bring sunshine on its wings
