Humility
Gorillaz

[Intro] **G   Am   G   Am**
         F   F   F   F

[Primeira Parte]

                  G   **Am**
Calling the world from isolation
G   **Am**
   Cause right now
              F   **F   F   F**
That s the ball where we re betrayed
                  G   **Am**
And if you re coming back to find me
G   Am   **F   F   F   F**
     You d better have good aim

[Pré-Refrão]

  G   **Am**
Shoot, it true
    G   **Am**
I need you in the picture
         F   **F**   **F   F**
That s why I m calling you

[Refrão]

G
I m alone between the left hand
G   **Am**   **F**   **F   F   F**
   Reset myself and get back on track
           G   **Am**
I don t want this isolation
G   Am   **F**   **F   F   F**
   See the state I m in now?

[Segunda Parte]

                  G   **Am**
Caught in the hard to win the raffle
G   **Am**
   Cause right now
              F   **F   F   F**
That s the ball where we be chained

[Pré-Refrão]

```
   G            Am
Shoot, it true
    G                  Am
I want you in the picture
             F         F        F  F
That s why I m calling you

[Refrão]

        G
I m alone between the left hand
G   Am                    F              F  F  F
   Reset myself and get back on track
          G              Am
I don t want this isolation
G  Am                 F         F  F  F
   See the state I m in now?

[Ponte]

G            Am
   If I pick it up when
     G                 Am
I know that it s broken
F           F           F  F
   Do I put it back?
G            Am
   Or do I head out on
      G               Am                 F   F   F   F
To the lonesome track and let you go?

[Refrão]

        G                    Am         G  Am  F  F  F  F
I m alone between the left hand
          G              Am
I don t want this isolation
G  Am                F          F  F  F
   See the state I m in now?
G            Am
   If I pick it up when
     G                 Am
I know that it s broken
F           F           F  F
   Do I put it back?
G          Am
   Or do I head out on
      G               Am
To the lonesome track and let you go?
```
