

Rock The House
Gorillaz

Tuning: Standard

There isn't a guitar in this song but it's same notes that the trumpet intro plays.

```
| -10--9--5-----5--7-----7--10--9--12-9---10-----7- |  
| -----5--8-----5-8-----5-8--- |  
| ----- |  
| ----- |  
| ----- |  
| ----- |
```

After that's ^ repeated for a while it stops and then plays something like this.

```
| -14-14-15-----14-15----- |  
| --x--x--x-----x--x----- |  
| -12-12-13-----12-13----- |  
| ----- |  
| ----- |  
| ----- |
```

This is repeated through the whole song.
