

**Sleeping Powder**  
**Gorillaz**

[Intro] **E Am D7 Gmaj7**

**E** **Am**  
I was gone with the self of the day, gone

**D7** **Gmaj7**  
With the self of the day, gone

**E** **Am**  
With the self of the day, gone

**D7**  
Gone, gone, gone

I was gone

[Verse 1]

**E**  
I m back, where are we goin ?

Seem to get tired of the mornin dawn  
**E**  
With a basin on my head

I m missin all that I used to know, then  
**E**  
I get the kids to go, and I get

Up on with certain dread  
**E**  
And when I see the kissing down below

Easy life, I get right

[Chorus]

**E** **Am**  
I was gone with the self of the day, gone

**D7** **Gmaj7**  
With the self of the day, gone

**E** **Am**  
With the self of the day, gone

**D7**  
Gone, gone, gone

I was gone

[Verse 2]

**E**

I get dropped from where I belong

I take my pills and I get in the mood and I

**E**

Take five to get it to load in

Even in the place

**E**

And I get my jeans on right

And sit in the rows and

**E**

Inside I live in a cage and I

Peek out and summon the code and I

**E**

Enter the lake to face what I m cagin

[Chorus]

**E**

**Am**

I was gone with the self of the day, gone

**D7** **Gmaj7**

With the self of the day, gone

**E** **Am**

With the self of the day, gone

**D7**

Gone, gone, gone

**Bm**

I was gone

[Bridge]

**Bm**

She gave me sleeping powder

N.C.

I was gone

Gone, gone, gone

Ahh!

[Chorus]

**E**

**Am**

I was gone with the self of the day, gone

**D7** **Gmaj7**

With the self of the day, gone

**E** **Am**

With the self of the day, gone

**D7**

Gone, gone, gone
