**Sleeping Powder**
**Gorillaz**

[Intro]  **E Am D7 Gmaj7**

**E**                                          **Am**
I was gone with the self of the day, gone

**D7**                          **Gmaj7**
With the self of the day, gone

**E**                        **Am**
With the self of the day, gone

**D7**
Gone, gone, gone

I was gone

[Verse 1]
 **E**
I m back, where are we goin ?

Seem to get tired of the mornin  dawn
 **E**
With a basin on my head

I m missin  all that I used to know, then
 **E**
I get the kids to go, and I get

Up on with certain dread
 **E**
And when I see the kissing down below

Easy life, I get right

[Chorus]
          **E**                                  **Am**
I was gone with the self of the day, gone
**D7**                          **Gmaj7**
With the self of the day, gone
**E**                        **Am**
With the self of the day, gone
**D7**
Gone, gone, gone

I was gone

[Verse 2]

```
      E
I get dropped from where I belong

I take my pills and I get in the mood and I
      E
Take five to get it to load in

Even in the place
      E
And I get my jeans on right

And sit in the rows and
      E
Inside I live in a cage and I

Peek out and summon the code and I
      E
Enter the lake to face what I m cagin

[Chorus]
        E                            Am
I was gone with the self of the day, gone
D7                  Gmaj7
With the self of the day, gone
E                    Am
With the self of the day, gone
D7
Gone, gone, gone
        Bm
I was gone

[Bridge]
              Bm
She gave me sleeping powder
N.C.
I was gone
Gone, gone, gone
Ahh!

[Chorus]
        E                            Am
I was gone with the self of the day, gone
 D7                    Gmaj7
With the self of the day, gone
E                        Am
With the self of the day, gone
D7
Gone, gone, gone
```
