

How I Long

Gorky's Zygotie Mynai

Verse

Dm **G** **Bb** **F**
Our cheer in the country With stars they shine
You could even take a walk by moonshine
Though I long to stay I ve just got to go
Where money is made, cold winds blow

F **Dm** **Eb** **Bb**

Gm **Dm** **Eb** **Bb**

Chorus

Gm **Dm** **Eb** **Bb**
How I long to feel that summer
In my heart how I long to feel that summer
In my heart and the days were so long
And nothing could go wrong
With my heart and the days were so long
And nothing could go wrong
With my heart how I long to feel that summer
In my heart how I long to feel that summer
In my heart
