riff - **F G**

Fm Cm
Have you every felt like life s just a hazard?
Fm Cm Fm
Made up of tricks and dupe, for all the suckers out there
Cm Fm
It s gonna get us all at one time, indefinitely
G Fm
Watch out, there s no escape.
Ebm Cm Fm
Have you ever felt like love s just like concrete
Ebm Cm Fm
Poured out and left to harden, to be walked all over
Ebm Cm Fm
Sometimes you can leave your handprints in love
G Fm G Ab
Watch out, don t get stuck
G Fm G Ab
Oh, this dubious life.
G Fm
It s laid out in front of us.
Ebm Cm Fm
When you didn t expect it, fireworks went off with a mass sound
G Ab Bbm Fm
When you think the worst is to come it unexpectedly turns around
Ebm Cm Fm
When you didn t expect it, fire circles around you
G Ab Bbm
When you think it s closing in, it unexpectedly turns around.

Fm Ebm Cm Fm
Have you ever felt like your world is riot-proof
Ebm Cm Fm
You ve got barricades and walls as high and mountains
Ebm Cm Fm
You ve blocked yourself off from the fools out there
G Fm G Ab
Watch out, don t get stuck
G Fm G Ab
Oh, this dubious life.
G Fm

It s laid out in front of us.

When you didn t expect it, fireworks went off with a mass sound
When you think the worst is to come it unexpectedly turns around

When you didn t expect it, fire circles around you

When you think it s closing in, it unexpectedly turns around.
