Monday Tuesday Wednesday I Love You

Written by Ross Parker

Performed by various artists

(more recently Gossling from the Woolworths ad in Australia)

Key **G**

Tabbed by Kellie G. (autobahn)

I m in the process of providing a link to the chord diagrams the way I play it,
I find that although UG has a great database,
it isn t exhaustive and there are many ways to play a chord
that aren t shown.

This song is so lovely and worth learning for all the new and beautiful chords!
If you need extra help with a chord, just Google it and you ll find something
that
suits you easily enough.
Make up what you can t do, and it ll sound just fine. :)

*AmMaj7 chord is played with first two fingers in first fret (4th and 5th string)
and ring finger in second fret (third string), like the shape of Fmaj7.

Instead of Bdim I play C/B because I can t play the change fast enough
and it gets by (but only just). If anyone can help out with playing

this bit fast and with ease and sounding good, please comment below.
