Just took another turn
G **D**
You re here and now I burn
D **D***
Just like another sun
G **D**
I m blind and now it s done
D **D***
One thing I gotta say
G **D**
You re in my day
D **D***
Just like another why
G **D**
You re on my mind

Bm **A**
Your smile and what it does
G
nothing I ve known
Bm **A**
Your light and what it does
G
Just turn it on
G7
Just turn it on

D **Bm** **Asus4** **A**
Shine and shine away
D **E**
Like a ride on supernova
A **G**
Cause you re brighter than the day
D **Bm** **Asus4** **A**
Shine and shine away
G

And there ain t no casanova

A

gonna come and take you

D (Intro)

away from me

One world it ain t a line
One world I give you mine
I can t get enough of this
Only a kiss
One thing you gotta know
It won t let me go
I can t wait another day
You gotta come my way

Your smile and what it does
Wather from stone
Your light give it
What it loves
Just turn it on
Just turn it on

Shine and shine away
Lika a ride on supernova
Cause you re brighter than the day
Shine and shine away
And there ain t no casanova
Gonna come and take you away
Cause I gotta win you over
Before you look the other way from me

Solo (play the chords of the chorus)

D Bm Asus4 A
