[Am C F]  
So this is the end of the story  
Everything we had, everything we did  
Is buried in dust  
And this dust is all that s left of us  
And only a few ever worried

While the signs will clear  
They have no idea  
You just get used to living in fear  
Or give up  
When you can t even picture your future

[Em D]

We walk the plank with our eyes wide open

[Am C F]

[G F]

We walk the plank with our eyes wide open  
(We walk the plank with our eyes wide open)  
And we walk the plank with our eyes wide open  
(We walk the plank with our eyes wide open)

[Am C F]

Some people laugh at our bedsores  
We made out like we heard  
They were only words  
They didn t add up  
To a change in the way we were living  
And the saddest thing  
Is all of it could have been avoided

But it was like to stop consuming is to stop being human  
And why d I make a change if you won t?  
We re all in the same boat

Staying afloat for the moment

[G F]

We walk the plank with our eyes wide open  
(We walk the plank with our eyes wide open)  
And we walk the plank with our eyes wide open  
(We walk the plank with our eyes wide open)

[Am C F]

With our eyes wide open we  
We walk the plank; we walk the plank  
So that is the end of the story
