

Save Me
Gotye

Capo 4

D G F D C D G D C Am D

Am7

In the mornings

I was anxious

Am Em Am D

It s better just to stay in bed

G A

Didn t want to fail myself again

E G

D Am

Running through all the options

And the endings

Were rolling out in front of me

D

But I couldn t choose a thread to begin

Am

D A

And I could not love

Am D

Coz I could not love myself

Em

Never good enough, no

Am D

That was all I d tell myself

G Em7

And I was not well

D

But I could not help myself

I was giving up on living

Em7 D Am D Em7 D Am Em G Dm

D

In the morning

Am

You were leaving

A Em

Travelling south again

Am D A Am D

And you said you were not unprepared

And all the dead ends

And disappointments

Am Em7 Am

Were fading from your memory

A D Am

Ready for that lonely life to end

D A Em7

And you gave me love

Am D

When I could not love myself

G Em7

And you made me turn

Am D

From the way I saw myself

G

And you re patient, love

D

And you help me help myself

And you save me

And you save me

Yeah you save me
