Gotye

(Capo on 2nd Fret)

Intro: **G, Am, Em, Em**

G Am Em
I m living with your memory
G Am Em
In the attic in my mind
G Am Em
And you ve been getting by without me
G Am Em
But I ve been spending all my time
G Am Em
With a girl that I remember
G Am Em
Who ll never leave or need to grow
G Am Em
Cos when you left, you left your memory
G Am Em
Now it s the only thing I know

G Am Em
When the past gives me discomfort
G Am Em
And the future is a cost
G Am Em
The way I m choosing to remember
G Am Em
I ll forever be the man I never was

G Am Em G Am Em
And y---o---u, you f---a---d---e
G Am Em G Am Em
But the memory remains, the same
G Am Em G Am Em
And I-----I, I can t ch---a---nge
G Am Em
And I think that living with your memory
G Am Em
Is slowly driving me insane

G Am Em
You were perfect but you re empty
G Am Em
And it gets so lonely in my mind
G Am Em
Cos your image in my memory s

The only shred of you that s left behind
G Am Em
You were real but then you left me
G Am Em
And that s the part I can t accept
G Am Em
So I ll keep on living with your memory
G Am Em
Because it s all that I ve got left
G Am Em
It s all that I ve got left
