

Nobody Knows That Im A Fraud
Grace Petrie

Nobody knows that Iâ€™m a fraud

[Intro]

A D A E

[verse 1]

A **D**
I donâ€™t watch PMQs as often as you might expect
A **E**
I only live tweet question time for comedic effect
A **F#m**
Iâ€™ve never read Virginia Woolf or any Bertolt Brecht
F#m **E** **A**
And nobody knows that Iâ€™m a fraud

[verse 2]

A **D**
Itâ€™s often been alleged that Iâ€™m as hard left as can be
A **E**
But my idea of edgy is an unknown brand of tea
A **F#m**
And Iâ€™m not even veggie let alone dairy free
F#m **E** **A**
And nobody knows that Iâ€™m a fraud

[chorus]

D **A** **E** **F#m**
So I get up underneath the lights until I feel adored
D **A** **E**
And I never tell you anything I think you wonâ€™t applaud
D **A** **E** **D**
Oh it might not always be the truth, but itâ€™ll have three chords
F#m **E** **F#m** **D**
Nobody knows that Iâ€™m a fraud
F#m **E** **A**
Nobody knows that Iâ€™m a fraud

[verse 3]

A **D**
Well dressing how I do I find I often get mistook
A **E**
By graphic novel fans who judge me on the way I look
A **F#m**
But I just like Batman shirts, I ve never read a comic book
F#m **E** **A**
Nobody knows that I m a fraud

[verse 4]

A **D**
When people call me a musician that makes my palms perspire
A **E**
I took Grade I piano, and I never got no higher
A **F#m**
If I didn't have this capo then you'd all see I'm a liar
F#m **E** **A**
Nobody knows that I'm a fraud

[chorus]

D **A** **E** **F#m**
So I get up underneath the lights until I feel adored
D **A** **E**
And I never tell you anything I think you won't applaud
D **A** **E** **D**
Oh it might not always be the truth, but it'll have three chords
F#m **E** **F#m** **D**
Nobody knows that I'm a fraud
F#m **E** **A**
Nobody knows that I'm a fraud

[bridge]

E **F#m** **E** **D** **A**
And some days I get so scared that we're losing
F#m **E** **D** **A**
And some days I'm just so sure we'll never win
F#m **E** **A** **E**
And some days I get so knackered from refusing to let that in
A **D**
To let that in
D **A**
Woah Oh

[verse 5]

A **D**
Well some days life feels like a play that you have not rehearsed
A **E**
But one thing's true of all of us sharing this universe
A **F#m**
Is we could all be doing better and we could all be doing worse
F#m **E** **A**
And everyone you know feels like a fraud

[chorus]

D **A** **E** **F#m**
So come on and get up underneath the lights until you feel adored
D **A** **E**
And never tell them anything you think they won't applaud
D **A** **E** **D**
Oh it might not always be the truth, but it'll have three chords
F#m **E** **F#m** **D**
Nobody knows that I'm a fraud
