

Cant See Through
Grace Potter and the Nocturnals

Title: Can't See Through
Album: Live from the Legendary Sun Studios
Artist: Grace Potter and the Nocturnals

Capo on 2nd Fret

Intro:
G Cadd9 G Cadd9 G

Verse 1:
Cadd9 G Cadd9 G
You told me everything that was on your mind
Cadd9 G C/D G
You brought the cold in from the outside
C G
You brought a bottle with the smell of pine
Em7 C G
And an aching heart and a box of wine

Verse 2:
Cadd9 G Cadd9 G
You always told me I was way too wild
Cadd9 G Cadd9 G
And I always thought you were dangerously mild
C G
Our souls my differ but I m still beguiled
Em7 C G
How can you be happy with only half a smile

Chorus:
C
Oh I can t forgive you
Em7
You cut me open wide and now I
Fmaj7 C G
I can t see through to the other side
Fmaj7 C G
No I can t see through to the other side

Verse 3:
Cadd9 G Cadd9 G
I always wondered, but never asked you why
Cadd9 G Cadd9 G
Why you keep on living when you want to die
C G
And you hold that bottle like a baby child
Em7 C G

Maybe I ll join you for a little while

Chorus:

C

Oh I can t forgive you

Em7

You cut me open wide and now I

Fmaj7 **C** **G**
I can t see through to the other side

Fmaj7 **C** **G**
No I can t see through to the other side

Fmaj7 **C** **G**
No I can t see through to the other side

Fmaj7 **C** **G**
Oh I can t see through to the other side

Break:

Cadd9 G

Cadd9 G

C G

Em7 C G

Verse 4:

Cadd9 **G** **Cadd9** **G**
So you hold your darkness and I ll hold my light

Cadd9 **G** **Cadd9** **G**
Everyone feels safe when they re holding tight

C **G**
But I m not quite broken but I m not quite right

Em7 **C** **G**
But I keep on going cause I think it s worth the fight

Em7 **C** **G**
But I know I ll never see you after tonight

Chorus:

C

and I forgive you

Em7

For all your sins and lies and I know I ll

Fmaj7 **C** **G**
I ll see you on the other side

Fmaj7 **C** **G**
Baby I ll see you on the other side

Fmaj7 **C** **G**
I ll see you on the other side

Em7 **C** **G**
Oh I ll see you on the other side

Outro:

Cadd9 G (end on **G**)
