

Hears To The Meantime

Grace Potter and the Nocturnals

D A

You re running me ragged

D A

And I don t do the things i should

D A

If the devil made a fire

E

You d be the wood

D A

I ve just got one question

D A

Answer me if you could

D A

How can so much trouble

E

Look so god damn good?

G

Look at the way you ve been living

D

Look at the love you should be giving

A E

Look at what tomorrow left behind

G

Look at at all the life that you ve been missing

D

Look at the girl you could be kissing

A E

Look at what happened in the meantime

G D

You gotta get yourself back home

A

E

Before i, i find you and kindly remind you

D A

So come sit down beside me

D A

With a dollar and a dime

D A

And we ll drink away our fortunes

E

Here s to the meantime

G

Look at the way you ve been living

**D**

Look at the love you should be giving

**A**

**E**

Look at what tomorrow left behind
