Hears To The Meantime Grace Potter and the Nocturnals D A

You re running me ragged

D A

And I don t do the things i should

) A

If the devil made a fire

E

You d be the wood

D A

I ve just got one question

)

Answer me if you could

D A

How can so much trouble

Е

Look so god damn good?

G

Look at the way you ve been living

D

Look at the love you should be giving

A E

Look at what tomorrow left behind

G

Look at at all the life that you ve been missing

D

Look at the girl you could be kissing

A E

Look at what happened in the meantime

G D

You gotta get yourself back home

A

Е

Before i, i find you and kindly remind you

D A

So come sit down beside me

D A

With a dollar and a dime

And we ll drink away our fortunes

Ε

Here s to the meantime

G

Look at the way you ve been living

D Look at the love you should be giving Look at what tomorrow left behind Look at at all the life that you ve been missing Look at the girl you could be kissing Look at what happened in the meantime You gotta get yourself back home E

Before i, i find you and kindly remind you
