Low Road (GP & Nocturnals)

Chords by IGS

[Intro

Bb

Ah-ooh, Ah-ooh ... Ah-ooh, Ah-ooh, ooh, ooh]

Bb

Bb7

I lost everything, I fell out of a daydream

Eb

Cm

At the door of a long lost friend

Bb

Bb7

And I cried aloud, Without an inch of pride

Eb

Cm

I knew that I had reached the end

Bb

Bb7

And old and lonely man, Saw me sittin on the curb

Eb

Cm

He reached out and took my hand

Bb

Bb7

He said I know your song, And I know your name

Eb

Cm

And there was a time that I felt the same

[Chorus]

Bb

Eb

But it s a low low road You ve gotta roll down

F

Gm

F

Before you find your way, my friend

Bb

Eb

And it s a high, high hill You ve gotta climb up

F

Bb

Before you get to the top again

[Intro]

Bb

Bb7

I held on so dearly,

Eb

Cm

To the wrong things in my life

Bb

Bb7

But now I see so clearly

Eb

Cm

I was walking into my own knife

Bb

Bb7

You ve got to get up off that street Stop looking at your feet [Bb Bb7]

Eb

Cm

And take a hold of something real

Bb **Bb7**

And this old man, took my hand

Eb **Cm**

He looked at me and said, little girl, I understand

[Chorus]

[Bridge]

Eb **Cm**

And there was a time that I thought that I knew it all

Eb **Cm**

And there was a place that I thought I could call my own

Eb **Cm**

But it all came crashing down and I looked around

Eb **F**

And I knew that things would never be the same

[Chorus 2x]

[Intro]

Bb

Cause it s a low, low road

You ve gotta roll down

It s a low, low road

Bb7
