And I always think of what we said

G **Em** x2
My baby

G **Em**
Strange how heavy my heart is

G **Em**
Strange how dark it is tonight

G **Em**
Strange the way this all started

C **Em**
I guess I m losing track of wrong and right

C **G**
And as the lights go down I lie down with him

C **Em**
And as I m layin there I can only smell your hair

C **Em**
It s like you re across the hall with your ear glued to the wall

G **D**
And as I move to let him in I can feel you crawl under my skin

G
And I can feel you from the inside

Em **D**
Prowlin like devil that I m tryin to hide

C Em Am G Em D
I can feel your heart beating closer than the poison of my pride

C Em Am
I

G Em x2

Am Em
Caught up in the moment I thought I d feel no shame

Am Em
Because I didn t have to tell you lies when the daylight came

C G
But now, down goes that silver tear, down goes my golden year

Am C
Down they go in a water slide

Am D
that s made of all the tears I ve cried

G
And I can feel you from the inside

Em D
Prowlin like devil that I m tryin to hide

I

G Em G
One short night

G Em G
One short night

Em G Em G

*Note: Some of the D s are interchangeable with Am s in phrases ending in hide and pride.

It sounds good to add the pinky to the high E string on the 3rd fret when you play the D for a few strums, that s how Grace plays it live.
