Grace Potter and the Nocturnals

[Intro]

Am, Fmaj7, C

Am, Fmaj7, C

[Verse]

Am **Fmaj7** **C**
I lit a fire with the love you left behind,

Am **Fmaj7** **C**
And it burned wild and crept up the mountainside.

G **Am**
I followed your ashes into outer space

G
I can't look out the window,

G
I can't look at this place,
C **G**

I can't look at the stars,
Am **Fmaj7**
They make me wonder where you are

C **G**
Stars,

Am **Fmaj7**
Up on heaven's boulevard
C **G**

And if I know you at all,
Am **Fmaj7**
I know you've gone too far

C **G** **Am**
So I, I can't look at the stars

[Instrumental]

Am, Fmaj7, C

[Verse]

Am **Fmaj7** **C**
All those times we looked up at the sky,

Am
Looking out so far,
Fmaj7 **C**

We felt like we could fly.
G **Am**

And now I'm all alone in the dark of night,
G

The moon is shining,
G
But I can't see the light,
C **G**

I can't look at the stars,
Am **Fmaj7**
 They make me wonder where you are
C **G**
 Stars,
Am **Fmaj7**
 Up on heaven's boulevard
C **G**
 And if I know you at all,
Am **Fmaj7**
 I know you've gone too far
C **G** **Am**
 So I, I can't look at the stars

 Stars,

 Up on heaven's boulevard
C **G**
 And if I know you at all,

 I know you've gone too far
