But now I know this is just our story
G#   **Fm**
I will set out on my way
                          Eb

                              Eb
We can throw the past away now
                              C#
Cause we don t need it anymore
                  G#
One day at a time
                    Fm   **Eb**
