this should have been a single, but i guess it insulted the NME kids who would
ve bought
too much.

your records are all boring cos you re cool as hell

everybody s flying everybody s sliding
slowly suiciding in a tiled cell

a tiled cell

for the chords in the second bit, you can do a bit of a thing like...

	A	E	D	
e	-----			
B	--2-3-2-----3-5-3-----			
G	--2-4-2-----2-4-2-----			but with the correct rhythm.
D	--2-4-2--2-4-2--0-0-0-----

Bridge bit:

e	-----			
B	---2-----			
G	---2-----			x a few
D	---2-----			
A	---0-0-0-0-0-0-0-0--			
E	-3-----			

second verse as first:

graphic designer, you could look no finer
in your eyeliner and your silas jeans
living in the east-end, with your teenage girlfriend
everyday s a weekend in a real cool scene.

cos everybody s flying, slippin and a slidin
slowly suicidin in a tiled cell.
you ll go out together, holdin hands forever
in shiny boots of leather lookin like lou reed.

just like lou reed

and chorus the same but twice

then the bridge bit, then the solo, which starts over the A of the bridge at
the end,
the rhythm guitar going into the verses (as indicated) and chorus.

A(verse)

one last chorus and bridge bit, then you're done. I think this is fairly accurate, or
least enough to go on. There's a lot of fills and stuff that can be added to
taste.
if you will.

really good version of this on the *Burnt to Bitz* live album.

thanks!!
