where d you go?

A C#m

dark eyed traveller

C G B A

can you even hear me speak?

A G

you make things bright

Am G B A

when they took the night away

A G Am G B A

led me inside and kissed all my tears away

C G Eb5 E Eb5 E

said you were here to stay

repeat with:

where d you go?

in the morning

when I was way down with dream

where d you go?

in the morning

when fever pulled me down strea

you made things bright

and you took the light away

lend me your eyes and show me a brand new way

now i feel dead today
