Be yourself

Be yourself

We needed a tutor

So built a computer

And programmed ourselves not to see

The truth and the lying

The dead and the dying

A silent majority

Don t theorize

Look in their eyes

Are they telling lies

The ones that they learn on T.V.

What a way to be free

Be yourself

Be yourself

Then you can free yourself

Free yourself

See yourself

Then you can see yourself

Come on and see yourself

See yourself
