**Eb  Eb(add9) Eb(sus2)**.....
Be yourself
**G#** .....
Be yourself
Be yourself
We needed a tutor
So built a computer
And programmed ourselves not to see
The truth and the lying
The dead and the dying
A silent majority
Don t theorize
Look in their eyes
Are they telling lies
The ones that they learn on T.V.
What a way to be free
Be yourself
Be yourself
Then you can free yourself
Free yourself
See yourself
Then you can see yourself
Come on and see yourself
See yourself
