

Better Days
Graham Nash

Better Days

F# **F#dim7**
When your love has moved away
B
You must face yourself and say
F#
I remember better days
F# **F#dim7**
Don't you cry 'cause she is gone
B
She is only moving on
F#
Chasing mirrors through a haze

F# F#dim7 B F#

F# **F#dim7** **B**
Now that you know it's nowhere
F#
What's to stop you coming home
F# **F#dim7** **B**
All you got to do is go there
F#
Then you'll really realize what's going down
F# **F#dim7** **B**
You went to a strange land searching
F#
For a truth you felt was wrong
F# **F#dim7** **B**
That's when the heartaches started
F#
Though you're where you want to be you're not where you belong
