I can [D]really see the [G]Milky [A]Way to[D]night,[D]  
[D]From the furthest edge of [G]memory [A]out of [D]sight.[D]  
[D]Will the [Bm]sky begin to [A]fall?  
[G]No one knows at [Bm]all, [G]no one [A]knows\_\_\_.[D][D][D]

#

[D]I can almost hear the [G]echoes [A]of the [D]past,[D]  
[D]From the voices of the [G]years gone [A]by so [D]fast.[D]  
I m [Bm]using all my [A]might, to [G]try and find the [Bm]light,  
In the [G]Milky [A]Way to[D]night.[D]

#

CHORUS

[D/C]It seems our [D/B]hopes and dreams  
Were a [D/Bb]million miles [D/A]away.  
[D/C]The world s not [D/B]what it seems,  
And it s [D/Bb]changing every, changing every [A]day..[Asus4][A]

CHORUS

[D/C]It seems our [D/B]hopes and dreams  
Were a [D/Bb]million miles [D/A]away  
[D/C]The world s not [D/B]what it seems  
And it s [D/Bb]changing every, changing every [A]day.[Asus4][A]

[D]I could swear I heard a [G]whisper [A]on the [D]wind.[D]  
[D]Telling me a[G]gain what [A]might have [D]been.[D]  
[D]In the [Bm]fading fire[A]light, I can [G]see your face so [Bm]bright,  
In the [G]Milky [A]Way to[Bm]night,  
In the [G]Milky [A]Way to[D]night.

(SLOW DOWN)
