INTRO: **D G D A**

D   **G**
You who are on the road
             D   **A**
Must have a code that you can live by
     D   **G**
And so become yourself
              D   **A**
Because the past is just a good-bye.

D   **G**
Teach your children well,
                 D   **A**
Their father s hell did slowly go by,
     D   **G**
And feed them on your dreams
             D   **A**
The one they picks, the one you ll know by.

D   **G**   **D**
Don t you ever ask them why, if they told you, you will cry,
                             Bm   **G A**
So just look at them and sigh
                     D   **G A D**
and know they love you.

And you, of tender years,
Can t know the fears that your elders grew by,
And so please help them with your youth,
They seek the truth before they can die.

Teach your parents well,
Their children s hell will slowly go by,
And feed them on your dreams
The one they picks, the one you ll know by.

Don t you ever ask them why, if they told you, you will cry,
So just look at them and sigh and know they love you.
