Unequal Love
Graham Nash

Capo at 2nd fret to play with record

Like a whisper on the wind, sometimes the wind don t want to hear about it.

Like a sailboat on the sea, sometimes the ocean just don t care about it

There are many many feelings, that can tear your soul apart

But the pressure of unequal love is hard

Cause the price you have to pay is that the pain won t go away

Unequal love.

Did you ever stay to long, with a lover who is over you

You had the feeling it was wrong, but you loved so hard there s nothing you can
do

There are many many heartaches, when you re up against the wall

And all the love you give won t come back at all

And no matter what you do. It really hurts to know the truth.

Love is unequal sometimes.

When you have a change of heart, Cause you found that you can trust somebody

They ll tear the arrow from your heart, it s you they love not just anybody

There are many many reasons not to play the game at all
