Between You And Me
Graham Parker

Capo in 2

Intro │**D** │**Dsus4**│ x2

```
D     Dsus4              D       Dsus4
All I knew were the lights in the harbour,
D     Dsus4              D       Dsus4
All I saw was the flash in my head, yeah,
Em        A                   D          Bm
And that s all that s left between you and me, oh yeah,
Em                    A             D Dsus4 D Dsus4
Said that s all that s left between you and me.

D           Dsus4         D         Dsus4
Next thing I knew I was being carried out to sea
D       Dsus4               D       Dsus4
Somebody whispering,  Hey what is wrong with me?  yeah.
Em        A                   D          Bm
And that s all that s left between you and me, yeah, yeah, yeah,
Em                    A             D Dsus4 D Dsus4
Said that s all that s left between you and me.

Bm          G          D              A
Say, did you realise   when this   bit came to be ?
Bm                G
Yeah it s always in somebody s eyes
         E                     Asus2
When they really   don t wanna see, yeah.

D     Dsus4                  D          Dsus4
All I knew was the storm crashing arou-ou-ou-ou-ound,
D     Dsus4               D        Dsus4
Nothing more than silence, not even a sound, yeah.
Em        A                   D          Bm
And that s all that s left between you and me,yeah, yeah, yeah
Em                    A             D       Bm
Said that s all that s left between you and me, oh, oh, oh
Em        A                   D          Bm
And that s all that s left between you and me, yeah yeah yeah,
Em                    A             D G
Said that s all that s left between you and me, bop bop
  D               G        D              G
Between you and me, bop bop, between you and me, bop bop,
  D               G        D              G
Between you and me, bop bop, between you and me, bop bop,
```
