Girl In Need
Graham Parker

[Intro]

A   C#m   D   E

[Verse 1]
A   C#m   D   E
When you say you€™re weary, you sound like a girl in need
A   C#m   D   E
When you say you€™re teary eyed, just let it water a seed
A   C#m   D   E
When you say you€™re past your prime, reinvent yourself one more time
A   C#m   D   E
Hit the road with a bag of nails, build a house that withstands the gales and
A   C#m
Sto-o-rms
    D   E
Oh woah, oh yeah

[Verse 2]

A   C#m   D   E
I have lived in darkness, but it wasn€™t that bad at all
A   C#m   D   E
Coz when the light came shining through, oh what a wake up call
A   C#m   D   E
I was floating in the amniotic, all too easy, so narcotic
A   C#m   D   E
I once knew a girl who was quite erotic, but she was vacant like an empty pocket

[Bridge]

C#m   D
Punch yourself with both your fists
C#m   D
You€™ll find out, you€™ll find out that it€™s nothing like, nothing like a
kiss
C#m
It€™s more like something to cross off your list
        D   C#m   D
But a girl in need has a list so long, no one can find the time to read it
        C#m   D   E
Has she ever she ever thought she really might not need it

[Refrain]

E   A   C#m   D   E
Girl in need

```
E               A   C#m   D   E
Girl in need
