

What Do You Like
Graham Parker

G **Cadd9**
When you put that weight on my shoulder/ When you put that hook in my mouth
G D C G C D G C-G
It pulls me down like a concrete kite Ooooh oh, What do you like?

G **Cadd9**
Then you kick that chair from below me/ Leave me swinging in the drowning seat
G D C G C D G Cadd9-G
We used to be friends now we just fight/ Ooooh oh What do you like?

Bm G Bm G
How did we get here, I don t know/ How did we lose that original glow?
Bm G
You started out a love bird, now you re a shrike
Bm D
Look it up in the dictionary, what are you like?
