

How Much I've Lied

Gram Parsons

Intro: **F# G#m C# F#**

F# C# F# B
Darling, there is something I must tell you, you must know.

Ebm G# C#
But it s so hard to say the words I feel.

B C# F# B
This fancy that I m on has been going on too long.

Ebm B C#
It s time we stopped pretending things are real.

F# C# F# B
Cause I ve been living deep in sin. I ve been living blind.

Ebm G# C#
And I don t know just what s right or wrong.

B C# F# B
To take a chance on losing you was such a silly thing to do.

Ebm B C# F# F#7
The chance I might wake up and find you gone.

B C# F# B
Blue, so blue, my love is burning blue.

Ebm G#m B C#
Any brighter flame would be a lie.

B C# F# B
Blue, so blue, my love still burns for you,

Ebm B C#
But I know that I ll only make you cry.

F# C# F# B
A thief can only steal from you. He cannot break your heart.

Ebm G# C#
He ll never touch the precious things inside.

B C# F# B
So one like you should surely be miles and miles away from me,

Ebm B C# F# F#7
Then you d never care how much I ve lied.

B C# F# B
So try to understand the pain. It takes so long when I explain.

Ebm B C# B F#
Please, don t you forget how much I ve lied.
