

How Much I've Lied  
Gram Parsons

Intro: E F#m B E

E B E A  
Darling, there is something I must tell you, you must know.

C#m F# B  
But it s so hard to say the words I feel.

A B E A  
This fancy that I m on has been going on too long.

C#m A B  
It s time we stopped pretending things are real.

E B E A  
Cause I ve been living deep in sin. I ve been living blind.

C#m F# B  
And I don t know just what s right or wrong.

A B E A  
To take a chance on losing you was such a silly thing to do.

C#m A B E E7  
The chance I might wake up and find you gone.

A B E A  
Blue, so blue, my love is burning blue.

C#m F#m A B  
Any brighter flame would be a lie.

A B E A  
Blue, so blue, my love still burns for you,

C#m A B  
But I know that I ll only make you cry.

E B E A  
A thief can only steal from you. He cannot break your heart.

C#m F# B  
He ll never touch the precious things inside.

A B E A  
So one like you should surely be miles and miles away from me,

C#m A B E E7  
Then you d never care how much I ve lied.

A B E A  
So try to understand the pain. It takes so long when I explain.

C#m A B A E  
Please, don t you forget how much I ve lied.
